PART I

We need gender equity in politics to guarantee that women's perspective is represented on all issues. However, NWPC, LA Westside has a short list of issues it has prioritized as being of utmost importance for women.

1. Do you support equal rights for women?
2. Do you support the passage of a federal Equal Rights Amendment to the U.S. Constitution as follows:
"Equality Of rights under the law shall not be denied or abridged by the United States or any state on account of sex."?
3. The following questions seek input regarding your position on Choice.
Please write Yes if you agree or No if you disagree.
You may attach additional information to clarify either a Yes or No answer if necessary. Do you agree that:
 - A. A woman has the right to choose an abortion in accord with the principles of Roe v. Wade.
 - B. A woman has the right to choose an abortion at any time during her pregnancy to protect the woman's life and health.
 - C. Each patient, in consultation with her individual physician, has the right to determine the best medical procedures and practices in regard to reproductive health and abortion.
 - D. All women should have the right, regardless of income level or age to access safe, legal, confidential and affordable abortion and reproductive health care.
 - E. Women of limited financial resources have a right to public funding for family planning and abortion services.
 - F. There should be no waiting period to obtain an abortion.
 - G. Comprehensive, medically accurate, age-appropriate sex education should be provided to all elementary and high school students.
 - H. FDA-approved emergency contraception should be offered without delay to all victims of rape or incest in all hospitals or clinics.
 - I. FDA-approved emergency contraception should be provided in accordance with appropriate dispensing regulations, without delay or obstruction, to all women at all pharmacies in the United States.
4. Do you support increased access to childcare and other dependent care programs funded from all available sources?
5. Do you support legislation to protect equal rights for all individuals regardless of gender, race, age, religion, ethnic origin, disability or sexual orientation?
6. Would you be interested in assistance with framing positive, poll-tested position and issue statements for your campaign related to Choice or Family Planning?
7. Are you a member of NWPC?
8. Have you attended NWPC trainings? NWPC events?
9. What have you done or will you do to mentor other women?
10. Why is it important to your race to receive the endorsement of NWPC?
